

## Diagram Documentation

### movie\_info

| Field        | Description | Type         | Default | Other |
|--------------|-------------|--------------|---------|-------|
| id           |             | serial       |         | PK    |
| title        |             | varchar(250) |         |       |
| year         |             | int          |         |       |
| rating_id    |             | int          |         | FK    |
| genre_id     |             | int          |         | FK    |
| director     |             | varchar(max) |         |       |
| box_office   |             | float        |         |       |
| runtime_mins |             | int          |         |       |
| top_billed   |             | varchar(max) |         |       |
| awards       |             | varchar(max) |         |       |
| writer       |             | varchar(max) |         |       |
| language_id  |             | int          |         | FK    |
| country_id   |             | int          |         | FK    |
| imdb_ratings |             | float        |         |       |
| meta_score   |             | float        |         |       |
| imdb_rank    |             | int          |         |       |
| imdb_votes   |             | int          |         |       |
| last_updated |             | timestamp    |         |       |

### film\_rating

| Field        | Description | Type        | Default | Other |
|--------------|-------------|-------------|---------|-------|
| id           |             | serial      |         | PK    |
| mpaa_rating  |             | varchar(20) |         |       |
| last_updated |             | timestamp   |         |       |

### genre

| Field        | Description | Type        | Default | Other |
|--------------|-------------|-------------|---------|-------|
| id           |             | serial      |         | PK    |
| genre        |             | varchar(50) |         |       |
| last_updated |             | timestamp   |         |       |

### language

| Field | Description | Type   | Default | Other |
|-------|-------------|--------|---------|-------|
| id    |             | serial |         | PK    |

| Field        | Description | Type         | Default | Other |
|--------------|-------------|--------------|---------|-------|
| language     |             | varchar(100) |         |       |
| last_updated |             | timestamp    |         |       |

## country

| Field        | Description | Type         | Default | Other |
|--------------|-------------|--------------|---------|-------|
| id           |             | serial       |         | PK    |
| country      |             | varchar(100) |         |       |
| last_updated |             | timestamp    |         |       |
